

MEMBERSHIP INFORMATION + APPLICATION FORM

About NASH

The National Association of Steel-Framed Housing Inc. [NASH] represents and supports the long term growth and sustainability of the residential and low-rise steel frame industry.

NASH supports its members in growing their business through the following activities and projects:

- Representing the Industry to policy makers, regulators and bodies responsible for codes and standards.
- Developing standards for the steel framing industry.
- Developing safe methods of working at heights.
- Generating business leads for members by referring enquires to appropriate suppliers.
- Promoting members and the industry through the NASH website.
- Actively facilitating training in and for the Industry.
- Supporting the continuing professional development of trades' people.
- Providing a forum for members to meet and discuss industry issues.
- Circulating NASH newsletter regularly to keep members abreast of Industry activity and development.
